MARUTHUVA MUNNETRAM 2026

Introduction

Welcome to the Future of Healthcare Innovation

Tamil Doctors International (TDI) is proud to present **Maruthuva Munnnetram 2026**, a flagship healthcare and technology summit that aims to bring together the brightest minds in the healthcare ecosystem. Scheduled for **January 10, 2026**, at the prestigious Grand Madurai by GRT, Madurai, this full-day event (9:00 AM to 6:00 PM) will serve as a platform to discuss advancements, challenges, and innovations shaping the future of healthcare.

Join us as we explore groundbreaking ideas through panel discussions, keynotes, and interactive sessions with thought leaders, healthcare professionals, technologists, and innovators. The event is expected to attract over 500 delegates, including doctors, healthcare administrators, policymakers, tech experts, and corporate leaders.

Event Highlights
